## Dress Code

All members and guests are expected to comply with our dress code:

- Senior members must wear suitable tennis clothing (white or coloured) or T-shirts. Outer clothes may not include jeans, cut-offs or football strips.
- Mini & Junior members are encouraged to wear recognised tennis clothing although sports clothing of any nature is acceptable.
- No football colours to be worn on the courts or within the Club.
- Playing surfaces can be damaged by inappropriate footwear. Proper tennis shoes must be worn by all player members; these must be heelless and any tread or pattern should be flat. Ridge-soled shoes are not acceptable.
- It is your responsibility to inform your guests of all rules, especially the dress code. If guests are not properly attired or not wearing suitable footwear, they will not be allowed to play.
- Any Senior member has the right to request a player to vacate the court and change clothing or footwear.
