

Clarkston Bowling & Tennis Club - Tennis Section

Complaints, Feedback & Suggestions Policy

At Clarkston LTC (the Tennis Section of Clarkston Bowling & Tennis Club) we aim to ensure that we provide our services correctly, efficiently and to a high standard at all times. We understand there are times you may not always be happy with our Club, therefore your feedback is very important to us to ensure we continue to provide an excellent service.

This policy covers how you as a member can make a complaint about someone's conduct or behaviour. This could be because you think that someone has behaved in a way that is unsafe, unprofessional, discriminatory, offensive or intimidating. It could be because someone has broken important rules or policies. The Club takes complaints about conduct and behaviour very seriously and works in line with the LTA's processes and procedures to respond to concerns.

The policy also outlines the complaints process that will be followed and explains how you can provide feedback and suggestions on any aspect of the Club's services.

Complaints

Values and Principles

- **You have the right to complain:** we take complaints seriously. You should not be harassed, bullied or put at a disadvantage because of making a complaint.
- **Equality:** You should receive a proper response to your complaint, regardless of your age, gender, disability, race, religion, nationality, social status, sexual orientation or political persuasion.
- **Fairness:** We believe that complaints should be dealt with fairly and openly. Unless it would put other people at risk, those affected by a complaint should have a chance to contribute and respond to any investigation.
- **Safety and welfare take priority:** we will always give priority to concerns that affect safety and welfare. Issues affecting children will be treated very seriously.
- **Confidentiality:** We treat complaints as confidentially as possible. Sometimes we have to discuss complaints with other organisations. If we are worried about a risk to a person or to the public, we might need to pass on our concerns to the right authorities. If necessary, we will get advice from other organisations such as the Police, Social Services or the LTA.

How to make a complaint

If you have a complaint, it is often best to start by having a conversation with someone at the Club. There are some suggestions below about who to speak to. They may be able to help to resolve your problem. You could also make a written complaint. The address for written complaints is at the bottom of this policy. If you can speak to who will help you to make a complaint. Useful contact details have been included at the bottom of this policy.

- **Club officials:** you can speak to any of our club officials. They may be able to discuss your complaint in detail.
- **Coaches:** any of the coaches working at the club can also tell you how to make a complaint. He or she might direct you to a club official.
- **Welfare Officer:** if you are a child, or if you are worried about the safety or welfare of a child, you can speak to the Club Welfare Officer whose contact details are on the notice board.
- Anyone else involved at the club that you trust.

Written complaints should be addressed to the Tennis Captain whose contact details can be found on the Club website or notice board.

What will we do to investigate?

We will give an initial response to your complaint within 5 working days. If the matter is urgent, we will respond more quickly. We will investigate your complaint fairly. This means that we will discuss the complaint with all of the relevant people. We will try to gather any information that may be relevant to handling your complaint. Sometimes we will ask to show copies of information from the investigation to other people to allow them to respond. This is because we believe in fairness and openness. We will not share information if we think that this will endanger someone's safety or welfare.

Sometimes we will refer serious or complex matters to another organisation.

We reserve the right to seek advice from appropriate organisations such as the Police, Social Services or the national LTA.

How will I know what is happening?

You will be given the details of a person who will be your point of contact at the club. That person will make sure that you understand the process, and will help to answer any questions or concerns that you have. You will be given an update on the progress of your complaint every two weeks. If there are delays in handling your complaint for any reason, we will keep you informed. If your complaint leads to formal disciplinary action against someone, we will usually inform you about the outcome. We will not tell you the outcome if that person is a child, or if we believe that telling you would create a risk to other people. In this situation, we will still try to tell you about how you are affected by the action that we have taken.

What are the possible outcomes or results of my complaint?

In many cases, we are able to resolve problems informally. This might include:

- A change in arrangements for particular activities
- An explanation or apology
- An agreement to communicate or act differently in future

If an informal resolution is not suitable, then a small committee of senior officials will look at the information about the case. We will try to make sure that this committee does not contain anyone directly involved with your complaint. They might decide to take the following action:

- Formal disciplinary action under the Rules of the club
- Formal disciplinary action against a member of staff
- Changes in formal contracts or arrangements put in place by the club
- A decision to refer the case to another organisation such as the County LTA, the LTA, Police, or Social Services.
- Closure of your complaint without action

Other people you can speak to

Sometimes it can be useful to speak directly to someone outside the club. Here are some examples of when this might help:

- You need urgent advice about someone's safety or welfare
- You don't want to discuss the issue with someone at the club
- Your complaint is very serious
- Your complaint involves other clubs or organisations
- You need specialist advice

The LTA is able to advise on a range of different complaints, and in some cases will handle the complaint directly. For more information on how to contact the LTA with a complaint, please see *Making a complaint in British Tennis: a guide*, published by the LTA.

Feedback & Suggestions

The Tennis Committee works on your behalf to ensure that all members can enjoy their tennis experience at Clarkston, in a fair and thriving club environment. It welcomes all feedback and suggestions on the workings of the Club. This can include your feedback on the Club's services, such as membership, coaching, tournaments or facilities and also suggestions on how we can improve things and make additions to our services.

We urge as many members as possible to get involved in the Club and one way is to provide feedback and suggestions. The Club recommends that if you have some feedback or a suggestion that it is passed on to the Tennis Captain whose contact details can be found on the Club website and notice board.
